Messrs A. H. Chapman,  
Philadelphia Pa  
Gentlemen,

At the convention  
of the American Municipal  
Association, a communication  
to Mr Tatman, from  
yourselves was read.

It referred mainly to the  
proposed establishment  
of an auction department.  
I am glad to say that  
it carried conviction to  
the wavering minds of two  
members, whose proxies would  
have been sufficient to  
enable them, to make  
the Auction Dept. a feature  
of the Assn. However after  
some discussion the entire  
section was stricken out

Mr. W. G. Jerrems, Jr.

Dear Sir:-

In looking over our list to:day we find you have not ordered a Mills catalogue and thinking it was an oversight on your part, have taken the liberty of sending one, price 50¢, printed price list after sale \$1. The sale is a magnificent one and the coins will be sold without reserve or limit. We hope you will send some bids, as it contains some very scarce rarities in the American series, especially 1823 and 1827 quarters, from \$65 to \$75 for the former and \$225 to <sup>325</sup>~~\$235~~ for the latter. As the sale begins on Wednesday, a reply by return of mail will be necessary to be in on the first day sale.

Yours respectfully,

*S. H. Chapman*
